'Hat' Synchro Conditions

This year we shall again be running the 'Hat' Synchro Event that was so successful in 2021. It is designed to be a fun event, getting everyone engaged and the composition of teams will be determined at random.

There will be two competitions, 3m & P/F; no age groups.

Teams will be decided in the following way:

- All divers who enter will have their name put into a 'Hat'.
- Each team will be determined by drawing names from the 'Hat'.
- The draw will take place on poolside, at a time to be announced at the Technical Meeting.
- Dives may be repeated, but the repeat dive will only attract a degree of difficulty of 1.0.

No diver may enter more than once. If there is an odd number of divers entered, the organisers may allow a second entry from a diver who is selected at random by the organisers. The second entry will attract no entry fee.

Entry fees will be 15 Euros per diver.
